I, _____ the parent / legal guardian for my ward, _____, being a participant of the Society for Creative Anachronism ("the Society"), request permission for my ward to participate in the combat related activities of the Society. On being granted permission I, for myself, my ward, my heirs and executors ACKNOWLEDGE AND AGREE:

2. That I voluntarily accept the risks involved.
3. That I and the above named minor shall be bound by the rules of the Society, obey the proper directions of all authorised officials and accept the decisions of the Society in respect thereof.
4. That this permission alone does not authorise the above named minor to participate in combat-related activities and they must complete, to the satisfaction of the Society or its officials, any other authorisation procedure required by the Society.
5. That I indemnify and keep indemnified the Society and all its members, whether officials or not, from and against all claims, actions, proceedings and demands of whatever kind, relating to any injury, loss or damage whatsoever and howsoever caused to the above named minor or their property arising out of or in connection with their participation in combat-related activity.

Privacy statement

We collect your personal information in order to manage your authorisations for martial activities in the SCA.

Providing some information is optional, but if you choose not to provide your name and contact details, we'll be unable to provide you with an authorisation card, and you will be unable to participate in activities which require authorisation.

Your information is held in the Authorisations database that is maintained by the Lochac Masonry team, and can be accessed by approved marshals and lists officers in New Zealand and Australia.

You have the right to ask for a copy of any personal information we hold about you, and to ask for it to be corrected if you think it is wrong. If you'd like to ask for a copy of your information, or to have it corrected, please contact us at authorisation@lochac.sca.org or lists@sca.org.nz.

Your address details are collected for the purpose of posting your authorisation card to you, and are not stored in the authorisation database.

Your email and phone number are collected to be able to contact you about your authorisation.

Your date of birth is collected to track when you stop being a minor.
